

POLICY DEVELOPMENT/ADOPTION

The Board will reserve to itself the function of providing policy statements for the action of those to whom it delegates authority. These statements, to be recorded in writing, will constitute the policies governing the operation of the school system.

The formulation and adoption of these policies will constitute the basic method by which the Laconia School Board will exercise its leadership in the operation of the school system. The review and evaluation of reports concerning the execution of its written policies will constitute the method by which the Board will provide oversight of the operation of the school system. See BGA-P, POLICY DEVELOPMENT/ADOPTION PROCEDURE.

The formal adoption of policies shall be recorded in the minutes of the Board's meeting and only those written statements so adoption and so recorded shall be regarded as official Board policy.
