

NEW BOARD MEMBER ORIENTATION

The Board and District office staff will assist each new member to understand the Board's functions, policies, and procedures. Some of the measures taken will include:

- The Superintendent and other administrative personnel will conduct an orientation session for new members to discuss district policy/regulations as soon as possible after the member is sworn into office.
- New members will be given publications, such as the Board's Policy Manual and Regulations Manual, State and national documents on school Board membership, and materials pertaining to New Hampshire's general laws of education and school committees.
- Information about the duties and responsibilities of Board members will be provided.
