

SAFETY INSTRUCTION

The Superintendent will be responsible for the development of district-wide safety procedures which relate to safe practices to include, but not be limited to, the following:

- On school buses and on the school ground, including playgrounds;
- During authorized school activities, such as field trips; and
- Within the school building, including classrooms and laboratories

Staff will be responsible for the implementation of appropriate safety practices and procedures applicable to their assigned areas of responsibility and to ensure that safety instruction is included in all applicable programs offered by the school.
