

ANIMALS IN SCHOOLS

In the interest of student and staff safety, the Superintendent and Building Principals will be responsible for developing guidelines that support the careful and responsible use of animals in schools. These guidelines will be printed in the “Parent-Student Handbook” and the “Staff Handbook”. **Service animals are welcome in our school building.**

Adopted: January 23, 1995
Revised: 12/1/98, 04/05/11
